Why try CanvasWorkspace?

CanvasWorkspace

"CanvasWorkspace for PC" is a PC-based application that combines the versatility of your favourite design software and the power of your Brother cutting machines. See what you can do with it!

Create unique cut files by using built-in patterns and premium patterns offline like rhinestone, stamp, line or region embossing, and foiling.

- Use fonts already installed on your computer
- Import .svg and convert to .fcm format
- Enjoy premium functions such as rhinestone, sticker, and Roll Feeder
- Trace image files (.jpg, .gif, .png, .bmp) to create cut data by three image tracing methods
- Send data to the machine and import data from the machine via the internet
- Free projects - access to hundreds of projects that include recipes, videos, and cut files (Internet connection is necessary).

Tools

SPATULA AND HOOK SET
CASPHK1

The ScanNCut Spatula will help precisely lift cut designs from the ScanNCut Cutting Mat with ease, given its thin, sleek metal shape. The angled shape of the spatula will help to minimize tearing and curling of the cut material. The ScanNCut Precision Hook Tool (weeder) is perfect for removing tiny cuts from paper, fabric, and other various materials. The hook (weeder) is also great for punching out negative pieces of vinyl and iron-on transfer material from the carrier sheet.

- Premium quality, designed for use with cutting machines.
- Includes: Spatula and Precision Hook Tool.

SCRAPER
CASCP1

Use this versatile tool to easily remove the cutout from your cutting mat or to apply cut designs to smooth surfaces and firmly secure them.

A great complement to the Brother Spatula and Hook set.

- Size: 3.9" (100mm).
- Made of durable plastic.
- Comfort grip design, rounded for a natural grip feel.

PRECISION TWEEZERS
CATWZ1

Great for removing pieces off a cutting mat or picking up beads for jewelry-making. It can also be used as a third hand with its "reverse" grip operation.

- Size: 4.8" (122mm).
- Precision curved tip, designed for smooth application and precise placement/removal.
- Comfort grip design.
- Made from durable stainless steel

4" BRAYER
CABRY1

Perfect for securing material firmly and evenly to your cutting mat. It is also great for burnishing material, such as adhesive craft vinyl, onto smooth surfaces.

- Size: 4" (102mm).
- Smooth rolling operation.
- Soft rubber roller.
- Contour fit and durable, easy-grip handle.
